

**Annual Report—TOWN OF RUTLAND, VERMONT
Year Ending December 31, 1990**

**Main Entrance to Proposed Finard-Zamias Mall
U.S. Route 7 South**

Frances Sharp

Charlotte Champine

This issue is being dedicated to two women who have served our Town so devotedly for many years, that they deserve this recognition.

Frances Sharp started with us working on the Hot Lunch Program at the Center Rutland School back in 1954.

In 1967, when the new Elementary School was opened, she transferred there to become supervisor of the total Hot Lunch Program. She held this position until her retirement in 1984.

We enjoyed 30 years of faithful service and belatedly wish her well in her retirement.

Charlotte Champine started her career with us working on the Hot Lunch Program at the Cheney Hill School, also back in 1954, until 1967.

She then took a few years off, but missed our children so much she was hired as the Kindergarten Aide in 1972. She was the "second mother" to all the kids who got their first glimpse of school.

Charlotte retired in 1983 and hopefully she is enjoying her well deserved retirement.

Thank you, ladies, from all the residents of Rutland Town!

TOWN AUDITORS

Thomas R Donahue, Joyce A Shackett, Edith M Kellogg

AUDITORS' REPORT

To the Honorable Board of Selectmen:

In compliance with Sub-Chapter 5, Chapter 51, Title 24, Vermont Statutes Annotated, we have, to the best of our abilities, examined the records and accounts of the Town's General Fund and associated funds as of December 31, 1990.

In our opinion, the accompanying financial statements present fairly the financial position of the Town at December 31, 1990, and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have reviewed the accounting controls of the Town Treasurer's Office and have utilized accepted auditing procedures as provided by the State of Vermont.

We especially thank the Town Treasurer for his cooperation and support in assisting us in the examination of the Town records.

Respectfully Submitted
BOARD OF AUDITORS
Joyce A Shackett
Edith M Kellogg
Thomas R Donahue

BOARD OF SELECTMEN & ADMINISTRATIVE ASSISTANT

Seated: Clifford W Young, Chairman
 Standing: Joseph B Zingale Jr. Administrative Assistant, Rodney T Gallipo, Clerk, Roy E Carpenter, John D Flory Jr, John J Socinski

TOWN OF RUTLAND BOARD OF SELECTMEN

The town Board of Selectmen would like to take this opportunity to inform town residents of what has gone on in the year 1990.

The Finard/Zamias regional shopping mall recently received the green light to begin construction from the Army Corp of Engineers. As many of you may know, both the Town of Rutland and the City of Rutland worked cooperatively for several years backing the mall proposal.

The proposed shopping mall would act as a great boost to the Rutland region's economy. Several hundred construction jobs would be created at a time when the local economy has slowed down.

The Rutland Mall also received good news in 1990, when the State Environmental Board voted to approve the proposed expansion. However, the mall developers must still receive a road access permit before construction can begin on the proposed addition.

Extensive excavation work was done on the proposed mall site in 1990 and the south branch of Tenny Brook has been successfully rerouted into a new stream channel.

The developers of the Green Mountain Plaza also received Act 250 approval in 1990 to construct a proposed addition.

The Board of Selectmen adopted two speed limit ordinances in 1990, which means most town roads are now posted for 35 mph speed. Some town roads have been posted for a 25 mph speed.

The board would like to acknowledge the commendable job done by the Rutland County Sheriff's Department, enforcing the town's speed limit ordinance and for performing general patrol duties in 1990.

The Board of Selectmen in cooperation with Vermont Independent Haulers began a recycling program at the town landfill in 1990. We would like to thank

all town residents participating in the recycling program. Every item deposited in the recycling program means less solid waste filling up our landfill.

Due to the fact the City of Rutland has been unresponsive to requests from the Town of Rutland to discuss renegotiating the water contract, the Board of Selectmen have begun a water exploration study.

It is hoped the town will discover significant quantities and sufficient water quality to develop a municipal well, somewhere in the southeast corner of the town.

To date, the town has hired the engineering firm of, Dufresne-Henry, to work with the town in this water exploration project. Several possible locations have been ranked and it is expected the town will negotiate with the effected land-owner to perform well boring test sometime in 1991.

This water source is intended to augment or possibly replace the City water which is currently being purchased in the south end of town. There are no plans to develop a town wide municipal water system.

The Board of Selectmen continue to be hopeful the City of Rutland will sit down with the town at the water negotiating table.

The Town of Rutland wants to work cooperatively with other towns in the Rutland region. However, there has been little cooperation from our neighbors and the Town of Rutland it seems is always blamed for non-cooperation.

We wish to change this image and instead be accepted by our neighbors as an equal. This board wants to cooperate, but the towns in the region need to understand that it isn't always Rutland Town that is at fault, any more than the City of Rutland is always at fault.

The Board of Selectmen feel a real need to build bridges of understanding and cooperation between Rutland Town and its neighbors, instead of talking of building highway bypasses.

At this time the Board of Selectmen would like to cite the excellent work performed in 1990 by the Planning Commission, the Recreation commission and the town's representative to the Rutland Regional Planning Commission.

The recreation commission provided town residents with another good year of sports activities for our youth and the town planning commission continues to review subdivision proposals to ensure compliance with town regulations.

The board would like to give special thanks to the members of the Town Bypass Committee, which keeps the board informed as to activities of those inside and outside the town who want to build a bypass in our town.

Your board will continue to fight attempts to build a bypass in the town, unless the road were to begin at the location where the bypass ends, and were to go east either to the Clarendon or Mendon Line.

In closing, we would like to hear from you, the citizens of the town, as to your thoughts on issues you feel to be important to the town. Please contact the town office at 773-2528 or send us a letter at PO Box 225, Center Rutland, VT 05736.

Respectfully submitted,

Board of Selectmen
Clifford W. Young, Chairman
Rodney T. Gallipo, Clerk
Roy E. Carpenter III
John D. Flory Jr.
John J. Socinski

RUTLAND TOWN WARNING

The legal voters of the Town of Rutland are hereby warned to meet at the Rutland Town Elementary School on Post Road on Monday, March 4, 1991 at 7:30 PM to discuss Articles #2 thru #18.

On Tuesday, March 5, 1991, at 9:00 AM at the Town Hall in Center Rutland for voters living on the West side of Route #7, and at the Elementary School Gym on Post Road for voters living on the East side of Route #7 to vote on Articles #1 thru #17 inclusive, by Australian Ballot.

Polls will close at 7:00 PM on March 5, 1991.

ARTICLES:

1. Choose all necessary officers required by law.
2. Shall the voters authorize the Selectmen to borrow money in anticipation of taxes?
3. Shall property taxes be payable to the Town Treasurer on or before September 6, 1991 with a discount of 4%, and after September 6, 1991 turned over to the Tax Collector as delinquent taxes?
4. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed THREE HUNDRED EIGHT THOUSAND & NO/100 DOLLARS (\$308,000.00) for use toward the operation of the General Fund budget?
5. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed THREE HUNDRED EIGHTY-FIVE THOUSAND & NO/100 DOLLARS (\$385,000.00) for use toward the operation of the Highway Fund budget?
6. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed SIXTY FIVE THOUSAND SIX HUNDRED & NO/100 DOLLARS (\$65,600.00) for use toward the operation of the Fire Fund budget?
7. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed FORTY ONE THOUSAND & NO/100 DOLLARS (\$41,000.00) for use toward the operation of the Recreation Fund budget?
8. Shall the Town of Rutland appropriate an amount not to exceed ONE THOUSAND & NO/100 DOLLARS (\$1,000.00) in support of the Steven R Gaiko Memorial Foundation Inc for the prevention of alcohol and drug abuse for the year 1991?
9. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed TWO THOUSAND & NO/100 DOLLARS (\$2,000.00) as our share toward the Rutland Industrial Development Corporation's budget to promote economic development in the Rutland region and in Rutland Town?
10. Shall the Town of Rutland appropriate an amount not to exceed FOUR THOUSAND ONE HUNDRED FORTY-THREE & NO/100 DOLLARS (\$4,143.00) in support of the Rutland Mental Health Service?
11. Shall the Town of Rutland appropriate an amount not to exceed SIX THOUSAND AND NO/100 DOLLARS (\$6,000.00) in support of the Rutland Visiting Nurse Association for the year 1991?

12. Shall the Town of Rutland provide financial support to the Marble Valley Transit District — THE BUS — in an amount not to exceed EIGHT THOUSAND THREE HUNDRED THIRTY-FOUR & NO/100 DOLLARS (\$8,334.00) for transit services to the Town of Rutland for the year 1991?
13. Shall the voters authorize the Selectmen to spend an amount not to exceed FIFTEEN THOUSAND & NO/100 DOLLARS (\$15,000.00) for the purchase and installation of chain link fencing and gates to completely enclose the two ballfields at the Northwood Park complex?
14. Shall the voters of the Town of Rutland allocate the sum of TWENTY THREE THOUSAND NINE HUNDRED SIXTY-SIX & NO/100 DOLLARS (\$23,996.00) toward the annual operating costs of the Regional Ambulance Service for 1991?
15. Shall the voters authorize the Selectmen to spend an amount not to exceed TWENTY FIVE THOUSAND & NO/100 DOLLARS (\$25,000.00) for the purchase of a used front end bucket loader for use by the Highway Department?
16. Shall the Town continue its participation in the Rutland Free Library Association, Inc and approve an appropriation not to exceed FORTY FIVE THOUSAND FIVE HUNDRED FIFTY & NO/100 DOLLARS (\$45,550.00) for the year 1991?
17. Shall our Congressional Delegation support the concept of amending the United States Constitution so as to limit the number of consecutive terms an individual may serve elected office in either the United States House of Representatives or the United States Senate?
18. To transact any other necessary, legal and proper business which may come before said meeting.

RUTLAND TOWN, VERMONT
1 February 1991

BOARD OF SELECTMEN
Town of Rutland, Vermont
Clifford W Young, Chairman
Rodney T Gallipo, Clerk
Roy E Carpenter III
John D Flory Jr
John J Socinski

Received for Record the 1st day of February A.D. 1991 at 8 o'clock and 00 minutes AM.

ATTEST: Richard J Del Bianco, Town Clerk

TOWN OF RUTLAND SCHOOL DISTRICT WARNING FOR ANNUAL SCHOOL DISTRICT MEETING

The legal voters of the Town of Rutland School District are hereby warned to meet at the Rutland Town Elementary School on Post Road on Monday, March 4, 1991, at 7:30 P.M. to discuss Article 2 through 6. At the close of business, the meeting shall adjourn to 9:00 A.M., Tuesday, March 5, 1991 at the Town Hall in Center Rutland for voters living on the West side of Route 7, and the Elementary School Gym on the Post Road for voters living on the East side of Route 7 to vote on 1 through 5 inclusive.

The polls will open at 9:00 A.M. and will close at 7:00 P.M.

Voting will be by Australian Ballot.

ARTICLES:

1. Choose all necessary School Directors required by law.
2. Shall the voters authorize the School Directors to raise by taxes an amount not to exceed **three million, one hundred fifty-six thousand, six hundred ninety-nine (3,156,699)**, for use toward the operation of the **three million, four hundred sixty-nine thousand, two hundred sixty nine (3,469,269)**, total School District Budget?
3. Shall the voters authorize the School Directors to issue notes or bonds in an amount not to exceed **three hundred sixty-three thousand, one hundred seventy dollars (\$363,170)** for the purpose of renovating the ventilation, and erecting a new pitched roof system over the entire school building? It is estimated that thirty percent (30%) of the cost of this project will be covered by State of Vermont School Construction Aid.

$$\$363,170 - \$101,361 \text{ (30\% State Aid)} = \$261,809.00 \text{ (Town Share)}$$
4. Shall the voters authorize the School Directors to raise by taxes the sum of money not to exceed **five thousand and no/100 dollars (\$5,000)** for **five (5) one thousand dollar (\$1,000.00)** scholarships, to be awarded eligible High School graduates of the Town of Rutland, who have resided in the Town at least two (2) years and wish to attend institutions of higher learning?
5. Shall the voters authorize the School Directors to borrow money in anticipation of taxes?
6. To transact any other necessary legal and proper business which may come before said meeting.

NOTE

Many people after a snowstorm are plowing or snowblowing into and across a Town highway. This is against State and Town laws, creating a dangerous condition of obstruction and narrowing of Town roads.

Please refrain from carrying on this practice otherwise we have no alternative but to turn this matter over to the Town Constables.

Thank you for your consideration in this situation.

Board of Selectmen

— NOTE —

A person who owns or keeps a dog more than six months old shall annually, on or before April 1, cause it to be licensed and shall pay \$4.00 for each neutered male or spayed female dog, \$6.00 for each male dog, and \$8.00 for each female dog. If the license fee for any dog is not paid by April 1, a 50% penalty is added.

Before a person shall be entitled to obtain a license for a spayed female or neutered male dog, he shall exhibit to the Clerk a certificate signed by a duly licensed veterinarian showing that the female or male has been sterilized.

Before obtaining a license for a dog six months of age or older, a person shall deliver to the Town Clerk a certificate or certified copy thereof signed by a duly licensed veterinarian, stating that the dog has within 24 months been vaccinated against rabies with a vaccine approved by the Department of Agriculture. The Town Clerk shall keep the certificates or copies thereof on file.

DOG TAGS ARE AVAILABLE NOW! PLEASE COME IN AND AVOID THE RUSH BEFORE APRIL 1st. THANK YOU!

Richard J. DelBianco
Town Clerk

AUDITORS' REPORT

The Honorable Board of School Directors:

In compliance with Sub-Chapter 5, Chapter 51, Title 24, Vermont Statutes Annotated, we have examined, to the extent of our abilities, the records and accounts of the Rutland Town School District as of June 30, 1990.

In our opinion, the accompanying Financial Statements present fairly the financial position of the School District as of June 30, 1990; and the results of their operations, and changes in their financial position for the year then ended.

As auditors, we have examined and tested such areas as cash, receipts, disbursements, investments, school petty cash and athletic fund accounts, and have verified figures on the accompanying financial statements. We have sent copies of our management letter stating any weaknesses there may be to the Town Treasurer and the Board of School Directors.

We thank the Town Treasurer and others connected with the Rutland Town School District for their cooperation and support in assisting us in this year's examination of the School records.

Respectfully submitted
BOARD OF AUDITORS
JOYCE A SHACKETT, Chairman
EDITH M KELLOGG

BOARD OF SCHOOL DIRECTORS

Nancy E Stein, S Stacy Chapman III, Chairperson, Lynette M Gallipo, Clerk, Michael J Shahan, Joseph P Barnhart

RUTLAND TOWN ELEMENTARY SCHOOL REPORT

We, as Members of the Rutland Town Board of School Directors, would like to thank the residents of Rutland Town for their support over this past year. A number of the programs and plans which began last year have been successfully carried over and implemented during the past 12 months.

Following approval of the budget in March of 1990, construction was commenced and completed on the "Open Wing Project". As a result, our classrooms in the Open Wing have now been converted into individual classrooms. The effect has been quieter rooms and a more efficient heating and ventilation system. The educational benefits to our children have been greatly enhanced by the physical changes in the building.

In addition to the Open Wing, a new computer room has also been constructed and is located within a portion of the library/resource room. The combination of the computers and word processing programs in close proximity to the resource materials in the library makes it possible for students and teachers to work more effectively on research projects and reports.

As part of last year's approved budget, the Rutland Town School was able to implement a new reading curriculum in the primary grades. Seven Thousand Five Hundred Dollars (\$7,500.00) was spent on a new series of textbooks which the School Board, Administration and Staff firmly believe will enhance the reading program at the school. We are hopeful that in the years to come we will also be able to expand this reading program as well as concentrating on strengthening other areas of the curriculum such as mathematics and science.

This past fall, Rutland Town, in cooperation with Mendon, Ira, Chittenden, West Rutland and Proctor, completed the first phase of the feasibility study which is investigating the possibilities for a regional high school servicing the committee member communities. Dr. George Collins from Connecticut did a thorough and in depth investigation and filed his report which is currently being circulated and reviewed by the school boards and selectmen of the committee member towns. We are hopeful that during the upcoming weeks and months

there will be public forums to share the information which has been gathered and to engage in further discussion about the need for a regional high school. This preliminary feasibility study indicates that there is a sufficient student population among the committee member towns to support the high school; and, preliminary economic evaluations indicate that despite a substantial initial investment the project would be self-supporting and would actually save tax dollars within several years. Combining with the ultimate tax savings would also be the advantage of having input and control over the curriculum and quality of education which our students would be receiving. Under our present tuition program, we find ourselves in a somewhat disadvantaged position due to the fact that despite spending substantial sums to surrounding high schools for annual tuitions, Rutland Town residents and parents do not have any formal means to participate in formatting the educational programs of these high schools. The concept of a regional high school would ideally provide Rutland Town with the potential to have "the best of both worlds" in terms of both input into the educational process as well as fiscal responsibilities. It should also be noted that the State of Vermont has reviewed the preliminary reports of Dr. Collins and has provided us with specific encouragement in moving forward with the project.

Getting back to the elementary school, we are pleased to report that during the past year we contracted with Seward's Sales and Service for new bus service to our children. An additional bus run has allowed the administration to better coordinate the school day to avoid the loss of classroom time and, with a number of new bus equipment, we feel that the safety of our children has also been improved.

We are likewise very pleased to report that Rutland Town sponsored five scholarships for graduating students who are furthering their education. The students receiving scholarships were Tara Abrahamovich, Stasu Bizzaro, Stacy Carpenter, Victoria Couture and Allison Maxfield. We congratulate these fine students and wish them the best in their college career.

Over the past year, there have also been changes in the membership of the Rutland Town Board of School Directors. Joan Fingon retired last March and we wish to publicly acknowledge her fine input and devotion to the School Board. Michael Shahan was elected to fill Mrs. Fingon's seat and his qualifications and strong business background are an enhancement to the Board. Most recently, we were saddened by the loss of Nancy Brooks as a Member of the School Board. For health reasons, Nancy was required to resign after having served both as a Member and Chairperson of the Board. Nancy's concern for the students, her unselfish donation of time and effort together with her recent approach to problem solving will be greatly missed. Mrs. Nancy Stein has been appointed by the Selectmen to complete the remaining term of Nancy Brooks and Mrs. Stein has been diligently working on matters of budget and curriculum. She has proven to be an asset to the Board. We welcome Michael and Nancy and look forward to working with them in the months to come.

John Dilts, Director of Student Education Services for the Rutland Central Supervisory Union, resigned his post last fall for another employment opportunity. We wish to thank Mr. Dilts for his fine service. Jean Cotroneo has now moved in to direct Student Education Services and is doing a fine job. At our own school, Patricia Trapani and Jeff Colomb have joined our staff as an individual aide and head custodian respectively. We are pleased to have them on board.

In addition to the support which we have received from Town residents, the Office of the Superintendent, Administration and Staff, we would also like to acknowledge the financial contribution of Central Vermont Public Service in connection with the purchase and installation of a new heating control system. We are optimistic that this new control system will allow us to maintain

peak efficiency of our heating plant and that within a very short period of time the system will help realize the savings of substantial dollars in terms of energy costs.

Finally, we would encourage Town residents to attend our Board meetings which are regularly held on the first and third Tuesday of each month. Your input is greatly appreciated and allows Members of the Board of School Directors to make more informed decisions on issues which are of great importance to the children of our Town. In the upcoming months, we will be addressing such matters as curriculum enhancement, plant maintenance, sewage treatment facilities servicing the school as well as teacher contract negotiations.

Again, we thank you for your support and look forward to a productive new year.

Respectfully submitted,

S. Stacy Chapman, III, Chairman
Lynette Gallipo, Clerk
Joseph Barnhart
Michael Shahan
Nancy Stein

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Town of Rutland School District
Rutland, VT 05701

We audited the accompanying general purpose financial statements of the Town of Rutland School District as of June 30, 1990 and for the year then ended. These general purpose financial statements are the responsibility of the Town of Rutland School District management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used in significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include financial activities of the general fixed asset account group which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the general fixed asset account group is not known.

In our opinion, except for the effects on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Rutland School District as of June 30, 1990, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

RUTLAND CENTRAL SUPERVISORY UNION ANNUAL REPORT FOR 1989/90 SCHOOL YEAR

Improving student academic performance continues to be the highest priority for the Rutland Central Supervisory Union. Proctor, Rutland Town and West Rutland School Boards, administrators, and teachers have worked cooperatively during the 1989/90 school year to implement and refine the K-12 curriculum in reading, writing, math, science, health, art, music, computer education and physical education.

In the Spring of 1990, students in grades 3, 5, and 7 were given a math test based upon the local math curriculum. The results established a base for the evaluation of the math curriculum on a year to year basis. The writing curriculum was also assessed in the Spring of 1990. Students in grades 4, 6, and 9 were asked to write on a topic within a given time frame. The papers were scored using the same system that is used to score SAT writing samples. Plans are presently being made to share the results of these assessments with each community during a School Report Day in early 1991.

In support of the curriculum development efforts, each school as well as the supervisory union has been involved in a number of professional development activities. Learning how to be a better teacher and administrator is an ongoing process. Current educational research has challenged many of the traditional beliefs about how children learn. The best way to learn is by doing. Hands on activities, supported by readings and continued practice, are proving to be the most effective way for students to learn. All of our teacher and administrator training activities are designed to promote student learning through active involvement rather than passive listening.

To assure that our curriculum development efforts will meet the needs of students in the year 2000, the Rutland Central Supervisory Union has established a partnership with the New England Telephone Company. During the summer of 1990, a team of teachers, administrators, and New England Telephone personnel met for two days to identify the essential skills that graduating students will need to be successful in the business world of the 90's. Presently, this list is being refined by the team and will be shared with each community as part of the School Report Day mentioned earlier.

Business Report

During the past year a major project of the business office has been the consolidation of the property/liability insurance. By putting the property, liability, and auto insurance coverage out to bid as a single package for the entire supervisory union, we realized an approximate savings of \$14,000 and increased coverage. This will also allow better management of insurance coverages in the future.

The refinement of the accounting system for the entire supervisory union is an ongoing project. This year we have added the capability of the schools to produce purchase orders on the central computer by use of a modem. This reduces paperwork and allows for immediate accounting of all purchases.

Carroll Brooks, bookkeeper for the West Rutland district, left to operate his own asbestos abatement company. He has been replaced by Sylvia Curtis.

The Boards, superintendent, business office, and school administrators have worked hard over the past year to provide each community meaningful information about their local budgets. The support for the 1990/91 school budgets in each community was greatly appreciated.

Student Educational Services Report

This promises to be an exciting and challenging year in special education. With the enactment of ACT 230, significant changes will be made in the way
Rutland Town Report 1990

services are provided to students with diverse learning needs. ACT 230, an act relating to reforms in special education, will emphasize the development of a "comprehensive system of educational services that will result in all students succeeding in the regular classroom, to the maximum extent possible".

The major issues addressed in ACT 230 include, revised eligibility standards for special education, new evaluation requirements, the formation of instructional support teams, inservice training grants and early education. State grant money may now be used to provide support to students who require compensatory and remedial services in addition to those in need of special education. The Division of Special Education has been renamed the Division of Instructional Support Systems. All of this has resulted in the first major revisions of the State Board rules since 1982.

In an effort to come into compliance with ACT 230, the Rutland Central Supervisory Union has been actively engaged in a number of projects to meet the July 1, 1991 deadline. Each of the district schools have developed and implemented instructional support teams, the purpose of which is to assist teachers in serving *all* children through team planning, collaboration, instructional resources, behavioral intervention and accommodations. Part of this process includes the development of policy and procedures by each district school board that describes the functions of the teams.

In order for the instructional support teams to be effective, there must be an ongoing in-service training plan for the training of teachers and administrators in collaboration strategies, interventions and team procedures. There will be training grant monies available from the State through fiscal year 1995. A grant proposal was submitted by RCSU in December of 1990, however, the districts have already been very active in providing training experiences to the individual school teams and to the teachers. The ongoing training for this year will include 1 credit courses available through UVM and through the supervisory union, as well as a portion of the March in-service day being devoted to ACT 230 with an emphasis on inclusion.

One of the positive outcomes from ACT 230 has been the development of our new alternative school for at-risk students, grades 6 through 9. The school, located in West Rutland, will be open to all eligible students in the Rutland Central Supervisory Union. At this time program is limited to 10 students. The purpose of this program, which began on January 21, 1991, is to create an educational and social environment which will provide stability and increase self-esteem and personal growth in a stimulating learning atmosphere. The emphasis will be on developing a positive attitude, interpersonal relationships and responsibility to self and community and will reach the students through academic, social and physical experiences.

The Superintendent's office encourages you to call if you have questions about budgets, curriculum, special education, or any other educational issue (775-4342). We can best service the needs of all the students by the sharing of ideas, talents, and resources which are found in each school district.

Respectfully submitted,

Paul E. Tracy, Superintendent
Katherine M. Bryant, Business Manager
Jean C. Cotroneo, Director of Student
Educational Services

**Rutland Central Supervisory Union Notice
Handicapped Children
Ages 0-21 Years**

The Rutland Central Supervisory Union, Proctor, Rutland Town and West Rutland, in meeting the requirements of its Local Education Agency Plan, is attempting to identify any and all area resident children between the ages of 0-21 years who may be considered handicapped. These children are entitled to receive an education, regardless of handicap, at public expense. It is possible that the Rutland Central Supervisory Union may not be aware of the residence of all handicapped children. If you know of a child who might be eligible for educational services and is not in school, please notify the Director of Student Educational Services, P.O. Box 440, 22 Evelyn Street, Rutland, VT 05701, or phone 775-4342.

My sincere thanks to the Officers and Firemen for their dedication to the Fire Department over the years. To the Ladies Auxiliary, we certainly appreciate everything you have done for us, and for always being there when we need you.

We are still in need of new Firemen in the Department. If interested, please stop by the stations on Wednesday evening or call my home at 773-3175.

Thank you all for your loyal support.

Sincerely,
JOHN E. DRINWATER, Chief
Rutland Town Fire Department

**CHENEY HILL CEMETERY ASSOCIATION
ANNUAL REPORT**

The annual meeting of the Association was held with the following officers elected:

President	Byron R Hathaway
Vice President	Larry S Williams
Secretary	George J Livak

The old Cemetery in Center Rutland was well mowed and cared for. Many thanks to Tony and Nella Flory for a job well done.

The Cheney Hill Cemetery was well mowed and cared for. Many thanks to Rachael Williams for her help. In addition to mowing, several dead trees were removed this fall as well as all of the brush growing along the east fence.

There were 6 burials this year.

Full size cemetery lots will be sold this year at \$150 each. Infant and urn garden lots are \$50 each. There were 12 full-size lots and 2 urn garden lots sold this past year. This brings the perpetual account principal to \$24,275 which depicts total lot sales since the year 1966. See Town Treasurer's report for financial statement.

For information to purchase a lot in the cemetery, contact Byron R Hathaway at 775-2624.

Respectfully submitted
BYRON R HATHAWAY, President
LARRY S WILLIAMS, Vice President
GEORGE J LIVAK, Secretary

**LEGISLATIVE REPORT
RUTLAND TOWN REPRESENTATIVE MERRITT L. THOMAS**

The Vermont Legislature convened January 9, 1991 in the State House at Montpelier. The session will cover 1991 and 1992. The first session will last about four months and will be adjourned January 1, 1992.

Until recently, there was one session held every two years. Because of recurring problems that need to be dealt with yearly, it was decided to split the session into two parts, to be held the first few months of each year in more or less equal periods of time.

One issue that seems to recur annually is the Solid Waste problem. Existing law makes it very difficult to site or locate landfills. On July 2, 1992, all landfills that are not lined or certified by the State must be closed. At this time very few of the 45 publicly-owned landfills will be able to meet their obligations by the deadline.

Governor Richard Snelling has outlined very adequately our tight fiscal condition. Additional taxes must be raised and a tight rein put on spending to get the State out of the financial bind in which it now finds itself. Level funding for most programs will be the order of the day. However, this is not easy as inflationary pressures actually mean a cut and work hardships on human services such as fuel assistance etc. Vermont is a very small State with few people and must recognize its limitations.

The good news is the leadership from both parties is working together toward a common goal of responsible spending and minimum tax increases. Vermont stands 24 in rate of income and ranks 3rd in welfare payments. This will have to be adjusted.

A bill which would make "payments in lieu of taxes" (PILOT) to towns hosting State buildings and lands is now being discussed. This means that the State would reimburse towns for property taxes not paid in towns where State property is located. This points up the pressure that the property tax puts on local citizens and the difficulty many towns are having meeting their expenses.

I attended a public hearing held in the State House having to do with different methods of raising taxes. There were twenty-two people who offered testimony. Most people favored an increase in the sales tax of 1% but backed away from a graduated income tax on the grounds that it would encourage people to take up residency in another State.

Please feel free to contact me at any time and thank you all for your support.

Respectfully,
Representative Merritt L. Thomas

RECREATION COMMISSION

Standing: Ernest Cioffi, Mike Mayhew, Karen Bossi, Chairperson

Seated: Larry DellVeneri, Thomas Donahue, Joseph Romeo, Jane Charron

RECREATION COMMISSION REPORT

During the past year the Recreation Commission has worked very hard along with many dedicated volunteers, to provide meaningful recreational programs for the citizens of the Town of Rutland.

Due to the extremely hot weather of this past summer, the Northwood Pool was in constant use. All swimming lesson classes were filled to capacity. This coming year the Recreation Commission has decided to try three sessions of swimming lessons, each lasting three weeks. This will not only allow for every child to take at least one session, but will also increase the lesson programs by two weeks.

Our baseball program was also extremely successful. This was primarily a result of the dedicated work provided by our coaches. We wish to thank them sincerely for all their unselfish devotion to the youth of our Town. In the coming year we plan to add another team in order to provide each child the maximum benefit of playing this sport.

Other programs sponsored by the Recreation Commission included a soccer program for Grades K-4. In addition, the soccer program for the older children in Grades 5 and 6 was taken over from the School by the Recreation Commission. The soccer program, since its inception, has been overwhelmingly received. Once again, the devotion of our coaches is what has made this program.

For the first year, the Recreation Commission sponsored a football clinic. In this program, high school students and their coaches provided football instruction to the youth of our Town. We plan to run this program again during the late summer.

The Recreation Commission is continually searching for ways to expand with little or no cost, our programs, in the hope that one day we may have a year around Recreation program.

We finished off a very busy summer and fall with a Halloween Party held at the Rutland Town Elementary School. The turnout far exceeded our expectations, and therefore, we plan to hold another Halloween party in the coming year. We need to thank the many people who donated either their time or prizes to make this party an extremely fun time for all.

We firmly believe that Recreation is a vital part of life for all ages. The Recreation Commission encourages anyone with ideas or questions to contact us so that we may explore further programs.

With a relatively small budget, the Recreation Commission has been able to provide meaningful programs for residents of Rutland Town. For this we wish to thank all the children and their parents for the participation and cooperation shown during the past year. We also need to thank the Rutland Town Fire Department, the Rutland Town Elementary School, the Selectmen, Town Clerk, and his staff. We sincerely appreciate your help.

Respectfully submitted
Karen Bossi, Chairman
Larry DellVeneri, Vice Chairman
Jane Charron
Michael Mayhew
Ernie Cioffi
Thomas Donahue
Joseph Romeo

RUTLAND TOWN ROYALS JUNIOR BABE RUTH

The Royals standings at the close of the season was: 11 wins 2 losses.

Play-off action: 2 wins placing the Royals second in the Rutland Town Summer Baseball-Babe Ruth League.

RUTLAND FREE LIBRARY **Annual Report, 1989-90**

TO THE CITIZENS OF RUTLAND TOWN, AND THEIR ELECTED REPRESENTATIVES:

In the last twelve months the library completed a \$1 million dollar construction project, moved books and services twice, operated in a temporary storefront location, added reference computers, was awarded a \$100,000 federal grant for construction, obtained a \$30,000 gift for a business collection, was awarded a state grant for children's services, received national attention for literacy efforts, received over \$2,000 in programming grants, brought in two nationally known speakers and learned that the community's use of books was the highest in the state.

This list of achievements is particularly exciting because in every case the accomplishment represents the efforts of a solid partnership: with town and city officials, with hundreds of volunteers, with civic-minded business people, with Friends of the Library, with other non-profit agencies, with a community committed to making things happen.

Dominating the year's events was the construction project. Funded by a \$950,000 voter-approved bond and a \$100,000 federal grant, the city-owned building was expanded by 6500 square feet, had a four-stop elevator installed, and energy-efficient heat plant and air circulation system put in, and wiring replaced. Asbestos was also removed from the basement at city expense.

During this same period library services and 25% of the books were moved by volunteers and inmates with donated equipment to the Rutland Shopping Plaza, where the library stayed rent-free for the winter. Despite cramped quarters and two massive moves, all library services but one continued and year-end circulation figures indicate that the number of books checked out month-for-month this year was 95% of last year's totals, which were the highest in the state. Downtime for relocation both fall and spring was a total of 12 weeks.

State and national recognition came to the library through two other avenues. The children's department received the coveted Smith grant for establishing a playgroup and a circulating collection of developmental toys; and the six books published through last year's literacy grant received national reviews and a spotlight at the first international literacy coalition conference.

As their contribution to the expanded library, town residents increased their annual support. Significant gifts included \$500 from Mr. and Mrs. Robert Mitchell, \$1000 from the Windham Foundation, \$500 from Bunbury, \$500 from GE, \$5000 write-off on electric work from CVPS and \$1000 for a film projector from the Lion's Club.

The Friends of the Library raised \$9000 through an author luncheon with New York Times' columnist Tom Wicker, a book sale and other events for the purchase of computers and peripherals which will enable a significant upgrade in services.

And most recently, Metromail Corporation announced a \$30,000 gift to the library for the development of a business collection which will be used for reference and circulating books, database services, business-related programs and booklists.

The library has been able to take advantage of many opportunities because of community involvement, a very hard-working staff and a board willing to take risks. With an improved building, an emerging partnership with local businesses and the Metromail funding for the support of those businesses it seems like a good beginning to the decade ahead.

RUTLAND REGIONAL PLANNING COMMISSION REPORT

1990 was, once again, a very eventful year at the Rutland Regional Planning Commission. The year began with a major debate in the Vermont Legislature over Act 200, Vermont's recently enacted sweeping growth management law. That debate resulted in significant modifications to the law which effects the relationship between our town's planning process and the Rutland Regional Planning Commission.

Prior to Act 200, the primary role of regional planning commissions around the state had been to provide technical assistance and advice to municipalities in the preparation of town plans, zoning and subdivision bylaws and other planning initiatives. Although regional plans were developed, their use in regulatory proceedings was most often over-shadowed by the local or town plan. As we all know, the prescriptions for future land use and development that are contained within the town plan, have many far-reaching effects upon a community and individuals within that community. Although town plans are only advisory at the local level (until their provisions are incorporated into zoning or subdivision regulations), town plans are given the "force of law" in Act 250. In order to receive a permit, an applicant must show that the project is in conformance with the town plan in addition to meeting several other criteria. A town plan is adopted by the legislative body of a municipality usually upon the recommendations of the planning commission after public hearing.

The earlier version of Act 200 brought about a radical shift in this land use decision-making authority. In essence the new law transferred the authority away from locally elected legislative bodies and locally appointed planning commissions by vesting increased authority in regional planning commissions. This transfer of authority was accomplished by providing that town plans would not have standing in Act 250 unless they were "approved" by the regional planning commission and that, in cases of a conflict between a town plan and the regional plan, the regional plan would supersede the town plan in a project determined to be of "substantial regional impact".

In early 1990, the Vermont legislature modified the law so that town plans will continue to have standing in Act 250 regardless of whether or not they have been "approved" by the regional planning commission. However, the legislature did not change the Act 200 provision which provides that the regional plan will supersede a local plan in projects of substantial regional impact. Although a significant degree of land use decision-making authority has reverted back to the local level by removing the requirement of regional commission "approval" of a town plan for Act 250 standing, the regional planning commission has retained its newly vested authority of developing a regional plan which will, by the new law, definitely supersede a town plan in cases of conflict (between the town plan and the regional plan) which involve a project of substantial regional impact. Further Act 200, requires regional planning commissions to "define" the term "substantial regional impact".

As a result of its new mandate under Act 200, the Rutland Regional Planning Commission has begun the task of preparing a new regional plan and of developing a definition of the term "substantial regional impact". It appears that many of the commissioners on the regional commission are in favor of strong citizen involvement in the development of the new regional plan and tend to support the concept that serious consideration should be given to land use decisions made at the local level as reflected in the various town plans. The staff at the regional commission has developed a citizen involvement process which has divided the Rutland Region into a series of sub-regions. The sub-regional groups have been meeting and developing ideas for the content of the new regional plan.

Another committee at the regional commission has been working on a definition of the term, "substantial regional impact". Some regional commissions around the state have developed a very broad definition of this term so that in those regions, the regional plan will prevail in many instances over the town plans in those regions. At this point, it appears that the committee in our region is opting for definitions that are relatively more conservative and would result in the regional plan superseding town plans in cases where the projects were more easily recognizable of true "substantial regional impact".

Both of these issues, however, are not yet resolved and both will impact Rutland Town in a very significant way since we have a very active growing community. It is critical, therefore, that town residents become involved in the resolution of these issues. The new regional plan along with the definition of "substantial regional impact" will very likely have a bearing on the future Rutland Town. Unfortunately, other than for the activity of the sub-regional groups, there is little public participation in the regional planning commission meetings. It is anticipated that there will be several public assemblies in regard to the new regional plan and it is hoped that all town residents will come forward to express their ideas and opinions on the issues involving Rutland Town's future.

Perhaps one of the most pressing issues facing our community is the proposed Rutland Bypass. The policy position advocated by the regional plan on this issue will, undoubtedly, effect the actions that will be taken by the Vermont Agency of Transportation in terms of planning transportation improvements. At the present time, the sub-regional group for the Rutland City—Rutland Town area is debating the issues involved with the bypass and the Route 4 and Route 7 improvements. The attempt is to arrive at appropriate policy positions for incorporation into the new regional plan.

Last year's report indicated that further study of the bypass was not imminent since the Vermont Agency of Transportation had identified the improvements to Route 4 and Route 7 as the priority items for funding in the agency's plan. However, intensive lobbying by several interests in the Rutland region resulted in an amendment to the agency's plans which requires that an Environmental Impact Statement (EIS) be conducted. Although this process has not yet begun, it appears that within the next year or so, the study will likely be initiated. Federal Law requires that an EIS be performed prior to the construction of major highway improvements. The study is performed under federal regulation and is monitored by the Federal Highway Administration. It is important to note that the study must re-examine all of the "feasible" routes that have been previously studied and any other "feasible" routes for a bypass of Rutland. In addition, to an assessment of environmental impacts, the study is required to consider a myriad of other impacts such as social, historical, etc. Those town residents who hold a view on one route or another route or on the need for the bypass, in general, will be provided notice and urged to attend public meetings. The EIS process contains a strong community involvement element which will contribute to the ultimate findings and recommendations of the study.

For more information contact the town administrative assistant at 773-2528 or your representative to the RRPC at 773-3505.

Respectfully Submitted,
David Dickinson

TOWN OF RUTLAND PLANNING COMMISSION

The town planning commission accomplished a great deal in 1990. The town planning commission reviewed and approved a total of fifteen subdivisions in 1990.

The fifteen subdivisions created a total of forty-eight single family home building lots. The planning commission also approved several commercial subdivisions.

The planning commission spent considerable time and effort reviewing each subdivision to ensure compliance with the town subdivision regulations. The planning commission met a total of twenty-five times in 1990.

As you may recall, the year 1989 saw the rejection of Town Plan by the Rutland Regional Planning Commission. The town hired a professional planning consultant in 1990 to work with the town planning commission to rewrite the rejected town plan.

It is expected the town plan will be revised and resubmitted to the Regional Planning Commission sometime in late 1991.

Several commercial development proposals, which were reviewed and supported by the town planning commission, received Act 250 approval in 1990.

After years of planning and months in the state permitting process, the Roadside Chapel received an Act 250 permit to build a church on the Town Line Road. The owners of the Green Mountain Plaza also received an Act 250 permit to expand the existing plaza.

The Green Mountain Plaza developers and the town planning commission believe the proposed improvement will considerably dress-up the aged commercial plaza.

Perhaps the biggest commercial development news of 1990 was the Act 250 and State Environmental Board approval of the proposed Finard-Zamias Regional Shopping Center.

The town planning commission met several times over the past four years with developers Damian Zamias and William Finard regarding town approval and support of the proposed regional shopping center. Construction is set to begin on the regional shopping center the summer of 1991.

The year 1990 also saw the State Environmental Board approve the Act 250 permit for the Great Rutland Mall. Although the Juster Development Company broke ground in 1990 for the construction of a new stream channel and mitigation pond, it is prohibited from starting construction on the mall addition until the District #1 Environmental Commission issues a road access permit.

Also receiving Act 250 approval in 1990 was a Level III Care Facility, to be built in the Heritage Hill development. The care facility and associated Congregate Care facility will provide various levels of medical care to its residents.

I would like to take this opportunity to invite town residents to attend planning commission meetings, which are held every first and third Thursday of the month. The commission meets at the Municipal Building in Center Rutland at 7:00 PM.

I would like to thank fellow commissioners: Israel Mac, Vice Chairman; Anthony Belock, Clerk; J. Barry Burke, William Matteson, Richard Hoenes Sr., Christopher Oakman, George Livak, and Robert Wilson for their dedication to town planning and all their hard work.

Respectfully Submitted,

Charles Brothers, Chairman
Town of Rutland

ANNUAL REPORT
1989-1990

TO: Citizens of Rutland Town,

I would like to express our appreciation for the support that your community gave to the RAVNA. We continue to care for people that are ill, frail, elderly or handicapped that wish to remain at home. The town funds are used for people that don't qualify for Medicare, Medicaid, Insurance, or other payment programs, and must be put on a sliding fee policy. The hospitals are discharging much earlier so people need more extensive care. We now have a high tech nursing team which provide very highly skilled treatments at home.

The following services were provided to your town:

Unduplicated patients — 49			
Skilled Nursing Care	— 756 visits	Speech Therapy	— 1 visits
Home Health Aide	— 1080 visits	Homemaker	— 23 visits
Physical Therapy	— 247 visits	Clinic Services	— 0 clinics
Occupational Therapy	— 4 visits	Prenatal Couples	— 3 couples

Most of our referrals come from hospitals, physicians or other agencies, but if you know of anyone in need of help, don't hesitate to call our office. Rutland 775-0568, 24 hours a day, 7 days a week. In Castleton 468-5668 or Brandon 247-3111, Monday thru Friday, 8:00 a.m. to 4:00 p.m. We have staff on call, for all areas 24 hours a day, 7 days a week.

Our Agency is in the process to become a *Certified Hospice* Agency under Medicare working jointly with the Hospice Volunteer Organization. This will provide a needed service to all our communities helping terminally ill people remain at home. This will require financial support from all of our towns, but will provide better quality of life for all terminally ill patients that wish to stay home. It is also less expensive than having to remain in a hospital.

Thank you for your continued support of the RAVNA. Our Agency could not provide all the needed services without your help.

Sincerely

Evelyn Doyle
Executive Director

RUTLAND MENTAL HEALTH SERVICE, INC.
78 S. MAIN STREET, P.O. BOX 222
RUTLAND, VT 05702
(802) 775-2381
FAX (802) 775-3307

To the Residents of Rutland Town:

Rutland Mental Health Services, Inc. has been very active in your community this past fiscal year providing psychoeducational assessments and family interviews in order to help develop the most appropriate educational plan for students with learning/behavioral difficulties, who are referred by your school.

Rutland Mental Health has also offered various support groups and educational programs for individuals and health providers in Rutland County.

Our substance abuse program has enabled us to better address the growing need for drug and alcohol treatment. Our (*The Evergreen Center*) Quitting Time Program is an intensive, evening outpatient alcohol treatment program for adults which runs Monday thru Friday from 5-9 pm.

The Associates in Child and Family Services, our affiliate, 65 Grove Street in Rutland, has provided services to Rutland Town residents for child, adolescent, parent, couples and individual counseling.

The following reflects specifics as to services to your community:

<i>Service</i>	<i>Number of Visits/Units</i>
Crisis Intervention	0
Adult Brief Therapy	38
Substance Abuse Treatment	2
In-Patient Psychiatric Care	0
Pre-Care/After-Care Clinic	0
Mental Retardation Case Management	0
Child and Family Treatment	0
Total number of residents served (7)	Total 40

Your town funds are used to support these essential programs which provide preventive, educational, and therapeutic services directly to the people of Rutland Town. The fees we collect for these services generate only a portion of the actual cost. The remainder must come from State, Federal, and local funds, such as United Way and Town Giving. Your support in the past has been greatly appreciated.

We invite you to contact our main office (775-2381) with any questions you may have.

Sincerely:

Gilbert D. Aliber
 Executive Director

Lyle A. Gray, President
 Board of Directors

ONE-2-ONE

The One 2 One Program is designed to serve frail, homebound elders. The program helps these individuals maintain their independent living status by providing essential volunteer support in three major areas: Telephone Reassurance, Friendly Visiting and Transportation Assistance.

Telephone Reassurance provides a phone contact at a mutually agreed upon time to an elder living alone. Approximately 1000 contacts were provided to Rutland Town elders.

Friendly Visiting helps provide emotional and practical support to elders. The visits help diffuse the loneliness felt by elders. Approximately 50 visits were made this year to Rutland Town elders.

Essential Transportation rides are offered to elderly persons in need of transportation to and from medical appointments, grocery shopping, hospital appointments or admissions. Approximately 500 trips were made this year to Rutland Town elders.

The One 2 One program is part of Rutland Community Programs, Inc. To arrange for services please call mornings 775-8219.

RETIRED SENIOR VOLUNTEER PROGRAM

56½ Merchants Row
Rutland, Vermont 05701
(802) 775-8220

Dear Residents of the Town of Rutland:

The Retired Senior Volunteer Program is a nationwide program for people 60 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations.

In 1989, 404 RSVP volunteers throughout Rutland County contributed over 60,000 hours of service to more than 90 not for profit organizations.

Currently there are 20 active RSVP volunteers from the Town of Rutland who donate their time to the following organizations: American Red Cross, Arts in Process, BROCC, Eden Park Nursing Home, McKerley Health Center, One-2-One Program, Rutland Area Art Ass'n, Rutland Free Library, Rut. Reg. Chamber of Commerce, Rut. Reg. Medical Center, Rutland Senior Chorus, Rutland Senior Ctr., Rutland Town Elementary School, Tax Counseling for the Elderly, VT Achievement Center, VT Dept. Forests & Parks, VT ETV, VT Girl Scouts, VT Statehood Bi-Centennial Program, VT Dept. of Health. Their combined hours of service totalled 3632 in 1989.

We encourage and invite any senior citizen to call RSVP at 775-8220 to learn more about volunteering with the RSVP program. The benefits are many: service to your community, recognition, acceptance and a sense of purpose.

We thank the voters of the Town of Rutland for the support that has been shown RSVP over the years and we pledge our continued efforts to be of service to all of you.

Sincerely,

Anne P. Rowe, Director
November 12, 1990

**REGIONAL AMBULANCE SERVICE, INC.
ANNUAL REPORT
(Fiscal Year Ending June 30, 1990)**

To the Honorable Citizens of the Town of Rutland, VT:

As we move from the eighties into the nineties we are pleased to report to the Citizens of the Town of Rutland that your community ambulance service has continued to provide dependable, quality care. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service since 1983. During our seventh fiscal year, ending June 30, 1990, the service responded to a total of 3,946 calls.

With the continued support of the citizens, our employees and community governing bodies, we were again able to provide our sixth consecutive year of service using the same assessment rate without change. We extend our appreciation to everyone for their support.

The service commitment to providing dependable equipment was accomplished by continuing to replace one vehicle each year. This year we replaced a transport ambulance that had provided over 100,000 miles of service in three years. This purchase, along with the replacement of some small equipment each year, assures you our professional staff is well equipped to provide quality care.

Public education and awareness programs were increased during the past year. C.P.R. classes, tours, demonstrations and a variety of public education classes were implemented to help educate the public of our service. Our professional staff continues to strengthen its commitment to our communities by performing these and other projects in addition to their normal caring duties. Our professional staff is also extremely capable and dedicated. The public is encouraged to visit and talk to the employees and administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Mary Keirstead, if you have any question concerning the service.

This report and the training area of our facility has been dedicated in grateful memory to David R. Melen, President of the Board of Directors from 1984 to 1989. His leadership and dedication were recognized by all.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc., will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely:

Mary C. Keirstead,
Town of Rutland Representative

Amelia Taylor, President
Board of Directors

**ASSOCIATION FOR RETARDED CITIZENS
128 Merchants Row, Rutland, Vermont 05701
(802) 775-1370**

The Board and Association for Retarded Citizens would like to request that we be included in your upcoming budget in the amount of \$700.00. We are requesting an increase due to our ever growing expenses.

In response to your request for information for the Town Report in regard to the services and programs offered by our organization, we present the following:

We represent over 1970 people throughout the County of Rutland. We act as guardian and guardian ad litem for over fifty developmentally disabled people in nursing homes, group homes and the State Hospital, including the elderly. We represent many people and their families in Rutland Town living in private homes and group homes. We are also representative payee for 92 clients in Rutland County.

Our services, i.e., advocacy, counseling, education, representative payee, guardian ad litem, recreational activities and support have been ongoing and we work with all those who have developmental disabilities, not just the mentally handicapped.

We need the help and support of the citizens of Rutland Town in order to continue to help others live more independently and fulfilling lives.

Thank you.

Sincerely,

Anne M. Shea
Executive Director

**"ALL THEY ASK IS A CHANCE TO BE ALL THEY CAN"
TOGETHER WE CAN HELP!**

THE VERMONT CENTER FOR INDEPENDENT LIVING ANNUAL REPORT TO TOWNS

One of every eight Vermonters has some type of disability. The Vermont Center for Independent Living (VCIL) is a grass roots organization that was founded in 1979 and is now incorporated as a private not-for-profit 501(c)(3) organization with a volunteer Board of Directors. The ambitious state-wide mission of VCIL is to assist Vermonters with disabilities to develop the resources necessary to achieve self determined and independent lifestyles.

VCIL operates six programs. The *Information and Referral Program* is Vermont's most comprehensive centralized source of information on virtually any disability related topic and includes a computerized database of adaptive equipment. Trained information specialists research and respond to inquiries usually the same day. Books, videotapes and audio tapes are mailed to borrowers throughout the state. Information specialists also conduct intake interviews that result in referrals to other VCIL programs or to other agencies and organizations as may be appropriate to serve the needs of the person requesting assistance on a disability issue.

The *Housing Program* provides information and referral services and technical assistance relating to housing and accessibility design. Housing staff members also administer the Home Access Project (HAP) that provides up to \$2,000 to low income elderly or disabled Vermonters for the purchase of materials for accessibility modifications to their homes. Assistance with modification designs, leverage of additional funding, organization of volunteer labor and coordination and monitoring of the construction process are also provided.

The *Peer Counseling Program* provides support on a one-to-one basis to assist individuals with disabilities to achieve self help objectives and learn independent living skills. The *Deaf Independence Program* employs deaf counselors to help deaf peers achieve the same goals. Services for these two programs include advocacy assistance, counseling and support, information and referral and skills training. Funds are also available through VCIL's *Purchased Services and Goods Program* to assist qualified individuals in obtaining attendant care or purchasing adaptive equipment and to enable peers to make transportation and housing accessibility modifications.

The *Community Advocacy Program* identifies accessibility, work, housing and legislative issues of interest to Vermonters with disabilities. These issues are then brought to the attention of community action groups or approached directly by members of the VCIL staff.

In FY '90, staff members of the Information and Referral and Housing Programs responded to 1,675 requests for information and/or assistance statewide. The Home Access Project received 102 applications for assistance with home accessibility modifications during the year. Fifty-six HAP projects totaling \$57,802 were completed during FY '90; the average HAP award was \$1,032. Counselors in the Peer Counseling and Deaf Independence Programs provided 3,948 hours of service to 388 peers with disabilities. A total of \$66,398 in funding was allocated to individuals in the Purchased Services and Goods Program statewide during the year. There were 59 individuals active in this program during the year, making the average allocation \$1,125. Staff of the Community Advocacy Program made 492 advocacy contacts in FY '90. Community Advocacy efforts were instrumental in making some significant statewide legislative changes affecting Vermonters with disabilities this year.

In FY '90, 159 requests for information or assistance were received by staff members of the Information and Referral and Housing Programs from individuals in Rutland County. Eight applications from individuals in Rutland County were received by HAP; seven of these projects were fully completed during FY

'90. Thirty-eight individuals received 328 hours of service from the Peer Counseling and Deaf Independence Programs in FY '90. Twelve individuals in Rutland County received services from the Purchased Services and Goods Program. The Community Advocacy Program made 19 advocacy contacts in Rutland County.

Currently, there are waiting lists for many of VCIL's programs. Town allocations are an important component of VCIL's budget. Individual, town and county support is of vital importance if VCIL is to serve those Vermonters with disabilities who need, but are not currently receiving, assistance. VCIL hopes to establish satellite centers in other sections of Vermont in the near future. Your vote in support of VCIL brings that organization closer to that goal.

For answers to questions relating to any disability issue or for more information about VCIL services, please visit the Vermont Center for Independent Living at 174 River St., Montpelier, VT 05602 or call at 229-0501 or toll free at 1-800-622-4555 (both lines TTD).

SOUTHWESTERN VERMONT AREA AGENCY ON AGING*Report to the Citizens of Rutland Town*

This agency expects to spend **\$26,822** to provide services needed by elder residents in your community during the current fiscal year.

The following information describes services that we provided to elders in your community during the fiscal year ending September 30, 1990:

Senior Meals

Site: Cheney Hill

Schedule: Tuesdays

1239 congregate meals were served to 47 elders residing in your community.

1746 meals were delivered to the home of 11 elders who were home-bound and unable to come to the mealsite. This service is sometimes called "Meals on Wheels".

Senior Advocate Assistance

36 older persons received assistance through this important program. Advocate staff helped elders fill out application forms and worked to resolve any problems related to receipt of benefit programs or other assistance. Guidance was also provided to persons having questions or problems related to health insurance claims or medical service payments. Advocates also helped elders file Vermont tax rebate claims and provided assistance with fuel program application.

Other Services

The following list outlines some of the other services we made available to elders in your area either directly or through contract:

- *Long Term Care Ombudsman:* This individual was available to provide assistance to residents of nursing and residential care homes in our region. She helped elders or, if appropriate, family members to sort out information concerning financial assistance and other concerns related to long term care.
- *Information and Referral:* Our agency maintained an up-to-date listing of programs and services available to elders. Older persons were able to get this information by either calling our I&R line or by visiting our agency.
- *Legal Service Attorney for the Elderly:* Funding was provided by our agency to help pay for the services of an attorney whose role was to focus on legal issues affecting older persons. This attorney worked out of the Vermont Legal Aid Office in Rutland.
- *Essential Transportation:* Through agency arrangement, a limited number of elders were provided rides to medical appointments or to do essential shopping. Volunteer drivers received reimbursement from our agency for mileage costs incurred in providing this assistance.

BENNINGTON-RUTLAND OPPORTUNITY COUNCIL, INC.

For over 25 years, BROC has been providing services to the disadvantaged residents of Rutland Town by providing a wide range of services designed to "help people help themselves." Case Management, information and referral, emergency financial assistance, weatherization and budget counseling are a very small sampling of the activities this Agency offers in assisting lower income residents of Rutland Town to achieve their personal goals and increase their self-sufficiency.

BROC is continuing to fight the causes of poverty not only in your community but County wide as well. There are over a dozen programs and projects run by BROC such as family support, financial assistance, emergency food shelves, energy related home repair, commodity distribution, home rehabilitation, and maintenance of perpetually affordable housing. It is this Agency's belief that each time BROC improves the quality of life for one Rutland Town resident, the quality of life for the whole community is improved.

In an effort to meet the requests of Rutland Town residents, BROC has expended \$5,495.32 in services in the Town (City) of Rutland Town in the 1989-90 fiscal year.

In the face of increasing demands for BROC services and decreasing funds for human services, BROC truly needs your support. BROC is requesting that the voters of the Town (City) of Rutland Town continue to support their fellow residents with a donation to BROC of \$785.00.

For further information, please feel free to call at 775-0878 or 447-7515.

Sincerely,

Cynthia Turo Burns
Acting Executive Director

Flora Mason
President, Board of Directors

EXPENDITURES SUMMARY SHEET **October 1, 1989 to September 30, 1990** **Town of Rutland**

I.	OUTREACH SERVICES	\$ 415.80
II.	COMMUNITY ORGANIZING	\$ 72.00
III.	COMMODITIES DISTRIBUTION	\$3,407.52
IV.	WEATHERIZATION	\$1,600.00
V.	PETROLEUM VIOLATION ESCROW	\$ 0
	TOTAL	\$5,495.32

- I. OUTREACH:
 - A-G Average salary and fringe \$6.00/half hour services
 - G — also includes actual dollar value of assistance given.
- II. Community Organizing:
 - A & B average salary and fringe \$6.00/half hour times contact.
- III. Commodity Foods:
 - Average distribution cost at \$9.16 per household per distribution.
- IV. Weatherization:
 - Labor and materials at \$1,600 per completion.
- V. Petroleum Violation Escrow:
 - Labor and materials at actual cost.

MARBLE VALLEY REGIONAL TRANSIT DISTRICT "THE BUS"

Marble Valley Regional Transit District, generally known as "The Bus" is approaching their 15th year of operation. M.V.R.T.D. is the largest non-urban public transit system in the State of Vermont. It provides transportation to the General public in Rutland County, as well as to several Social and Human Services agencies. M.V.R.T.D. increases self-sufficiency for the elderly, infirmed, handicapped and is vital for those who need transportation. M.V.R.T.D. has become a valued asset to the communities it serves. System ridership has increased noticeably over last year's 125,000 rides (49,000 rides furnished to special needs people alone). Approximately 305,000 vehicle miles accumulated annually on the fleet of 23 general transit buses, most of which are lift equipped.

In the past year M.V.R.T.D. has experienced enormous growth and development, including a computerized data base system and computerized vehicle maintenance. Capital replacement and expansion of the fleet has included the order of a new 33 passenger, handicapped accessible, air conditioned general transit bus and delivery of five handicapped accessible, air conditioned mini-buses.

Financing these major investments has been accomplished through the generation of grants obtained from the State and the Federal Government leaving community participation at less than 20% of actual cost. Through efficient management and a trained professional staff of 23 full time employees and over 60 volunteers, M.V.R.T.D. has reduced costs to the taxpayer. Free rides have been offered on the third day of each month.

In a recent review of all Vermont Public Transportation agencies conducted by Lloyd Robinson and Associates, Incorporated for the Vermont Agency of Transportation, the following finding was made of MVRTD: "You should note that your system is SUPERIOR in most respects when compared with other systems in Vermont AND around the COUNTRY."

Marble Valley Regional Transit District is actively working with area regional planners, developers, and legislative members to coordinate transportation needs in Rutland County as well as throughout the state. MVRTD's coordination and involvement efforts on a Statewide level were realized this year when Governor Kunin signed Transportation Bill S.50 into law. MVRTD, working with the Vermont Public Transportation Association spent the last 2½ years ensuring that this bill became a law.

M.V.R.T.D.'s free transportation service to the Medicaid and Reach-Up eligible has increased from last year's 14,500 rides to over 18,000 this year, maintaining our status as the second largest Medicaid transportation provider in the State of Vermont.

In times of uncertain and expensive energy supplies, environmental issues, traffic congestion, and high costs of road construction, public transit is becoming increasingly valuable. We appreciate the financial and moral support of the elected officials and taxpayers of our municipalities that guarantee Marble Valley Regional Transit District's continuance.

Lawrence A. Dreier, Administrator
Mary C. Keirstead, Chairman - Board of Directors
Representative, Rutland Town

MARBLE VALLEY REGIONAL TRANSIT DISTRICT REPORT ON TOWN TRANSPORTATION

TO THE NORTH:

We cover Post Road three (3) times daily picking up and returning Town school children. This gives access to transportation at three different times during a day to all streets near and connecting to this area.

We also cover North Grove Street, Mill Village and East Pittsford Road and all connecting streets within this given area. This is covered five times a day, three times by the above, and twice by the RMH bus coming and going into Brandon. The last two trips also cover Corn Hill Road.

TO THE EAST:

We cover this area from upper Woodstock Avenue to the Town Line Road. We cover the entire length of the Town Line Road, coming out at Killington Avenue all the way back to Stratton Road. This gives access to Conner Drive, Heather Lane, Crossman Drive and many other streets twice a day. This route covers Susan Lane and other streets coming into Killington Avenue. Eighteen trips to and from the Mall are also covered.

TO THE SOUTH:

In this area, we cover Stratton Road connecting to Cold River Road and all streets and roads joining — such as Perkins Road and upper Curtis Avenue, Quality Lane, the Adele Stanley Apartment complex and all businesses located on Route 7 South. We have a bus that runs to Danby twice daily which covers Rutland Town beyond Ames, Holiday Inn, Grossman's and others on Route 7 South. This bus also covers Route 7 South into the City. We also go to Ames and Howard Johnson upon request during the hours of 7:00 AM to 5:30 PM.

TO THE WEST:

In this area, we have a bus that makes trips to Proctor four times daily. We cover the old East Proctor Road and all connecting streets and roads, as well as West Proctor Road, all of Route 4 West from West Proctor Road to the City. On return trips, we turn at Gawet's and cover Barrett Hill and this route also provides transportation for Flory Heights residents.

We cover the Creek Road to the College of St Joseph. We do this four times daily with the Proctor runs and twice a day with the Castleton runs. We service the PEANUT GALLERY with all the above fixed runs as well as several trips a day with the door to door bus which is open to public transportation.

This service will extend to and cover the new Mall coming in on Route 7 South.

MARBLE VALLEY REGIONAL TRANSIT DISTRICT
158 Spruce Street, Rutland, Vermont 05701
(802) 773-3244

SERVICES PROVIDED FOR RUTLAND TOWN RESIDENTS

Phone # 773-8682
Toll Free Phone # 1-800-334-3191

Free medical transportation to the doctor's office or hospital facilities are arranged for Medicaid eligible clients. Marble Valley Regional Transit District's Medicaid Coordinator arranges for all your rides with advance notice. This ride could be provided by family, friends, taxi, or bus. Please notify us as soon as your appointment is scheduled, so proper transport can be arranged for you. Reimbursement for mileage is provided to the driver involved, with advanced notification.

STEVEN R. GAIKO MEMORIAL FOUNDATION

To the Citizens of Rutland Town:

Here are some of the areas that the Steven R. Gaiko Memorial Foundation was involved in for the past year.

- Red Ribbon Week—provided ribbons for all Rutland Town schools, presentations were given to schools by Blaine Navescheck and John Hersh
- schools utilized library at the Gaiko Foundation for books, videos, literature to use for students
- Service for Referral for Evergreen and Quitting Time
- Representatives for Drug Free Schools mandated by the federal government
- Project Graduation—monies supplied for Rutland Town High School graduating students
- First Night—sponsored a dance for area high school students
- Brought qualified persons to speak on prevention and awareness to Rutland Regional Medical Center Hospital and General Electric Employees

The Steven R. Gaiko Foundation in keeping with our missions statement will continue in our efforts to provide information, education, and awareness to the community. Hopefully, you will like the things that we have accomplished over the past year and we will continue as long as we have the support that we need in order to accomplish what our mission is for. We are looking to do even more in the year of 1991.

Thanks sincerely for your consideration.

Terry McLaughlin
Executive Director

RUTLAND COUNTY WOMEN'S NETWORK & SHELTER
P.O. Box 313, Rutland, Vermont 05701
Business • 775-6788
Crisis • 775-3232

The Rutland County Women's Network and Shelter is requesting to be placed on the March 1991 ballot in Rutland Town for the sum of \$600.00 for general operating expenses.

In 1990 we provided service to over 1100 clients, 73 of which were from Rutland Town. Some of the services we provided to citizens of Rutland Town were crisis line responses and helping to get emergency Temporary Restraining Orders. We have sheltered families from Rutland Town for emergency purposes and provided counseling for many men, women and children who were victims of domestic violence or sexual assault. We also provided single parent support, alcohol and drug information or referral, child care and groups for children.

In the past year we have added an Al-Anon group, a victims support group and two children's therapy groups. We are constantly growing in the demand for our services because as economic times get tighter, domestic violence increases.

In 1991 we are hoping to have a more secure financial base so we can continue the work we feel is so vital.

Sincere thanks for your continued support.

Sincerely,

Bonnie Gainer,
 Acting Director

RUTLAND INDUSTRIAL DEVELOPMENT CORPORATION

TO THE CITIZENS OF THE TOWN OF RUTLAND:

The **Rutland Industrial Development Corporation (RIDC)** has championed the cause of manufacturing in the Rutland Region since the late 1930's. In the post war era, the decline of the rail and stoneworking made new industry a matter of critical concern. We continue to believe that a healthy industrial sector is a key to the prosperity of our work force and a vital part of a balanced economy.

As a non-profit organization, RIDC is staffed by an Executive Director, Administrative Assistant and part-time secretary, which relies substantially on the volunteer efforts of our member municipalities and corporations to carry out its programs.

The corporation seeks to provide "one stop shopping" for the diverse needs of local industry. Among the areas in which we provide assistance are:

- Job training
- Demographic data
- Financial Assistance
- Start-up assistance
- Plant siting
- Land use permit assistance
- Grant applications

A Board of Directors, chosen from the membership, governs the activities of RIDC. Board members represent a cross section of the business and professional community from areas within Rutland County.

The three committees which divide up the work of the organization are:

- Marketing: Looks to assist industry in their expansion efforts.
- Finance: Handles the financial matters of the corporation as well as developing financial packages for new and expanding industry.
- Planning & Development: Addresses the infrastructure and support service issues necessary to provide a quality business environment.

The **Rutland Industrial Development Corporation** draws upon a number of Federal, State, municipal and private sector sources to fund RIDC's annual activities.

The office is located at 5 Court Street, near the Rutland Free Library.

If you should need further information about RIDC, please call 773-9147.

It has been a pleasure to work with your town over the past year. We are looking forward to your continued support of our organization in the coming year.

Sincerely,

William C. Shouldice, IV
Executive Director

**TOWN SENIORS PLAN
BICENTENNIAL EVENT**

The Rutland Town Seniors are hard at work making plans for our Town's part in the Bicentennial to be held July 4, 1991.

These plans include the reprinting of the Town's Bicentennial Sampler. There will also be 16 new pages of pictures, stories and history relating to the Town's growth since 1886.

Along with the new book, an Open House will be held at the Cheney Hill Community Center on July 4. This will be an all day event and a lot of Town memorabilia will be on display. It will be a great time to come and visit with your neighbor and relive some of Rutland Town's history.

We hope Town people will keep this date open and help to make this event a big success.

Refreshments will be served all day. "So, you all come to Cheney Hill Community Center on July 4, 1991". There will be Town fireworks at night at the Elementary School.
